Discussed: Ballot Proposal for millage.

Discussed was heard from all board member with concern as to what the priorities should be for the millage. All board members felt that we must prioritize the six areas the millage would be used for. Library, Parks and Recreation, Fire Services, Road Improvements, Cemetery and Real Property. The proposed priorities that the board will work with are listed below.

1. Roads – Improve gravel roads, improve safety of roads (visibility, size...)
2. Real Property – possible expansion of hall and office size.
3. Library – Penal fines and state aid would be given back to them out of the millage. As it stands now they are deducted from the amount the Township pays each year.
4. Cemetery – Trees in new section, grass improvement, possible lighting improvement.
5. Fire Services – updating of equipment, as needed, education for both firefighters and public.
6. Parks and Recreation – possible additional funds as needed to provide services to township residents.

Motion made to adjourn by Gunnell. Supported by Mulder. Motion carried, 5-0.
