Repairs to Apparatus or Equipment

- E 2: R & R alternator bracket by vendor
- BU 1: R & R transmission pan leak by vendor
- E 1: R & R Cutters Edge saw by SFD
- Convert all small engines to ethanol free fuel

Purchases

- Ethanol free fuel
- 4' bulbs
- Saw filters
- Paint
- Bar and chain oil & loop
- CPR card
- Uniforms- Kolenda, Paige, Drake
- Degreaser
- Dash Camera
- LP fuel

Repairs to Station

- R & R dry wall in classroom
- Paint stairwell door
- R & R station phone system with vendor
- Replace 4' bulbs in apparatus bay building # 1
- Convert both buildings and appliances from LP to Natural Gas
- Multiple trips to fill #100 portable LP tank after building LP fuel exhausted prior to conversion
- Install new desktop computer for paid on call desk by vendor

Training

- ACCD; 9 personnel @ 2.0 hours
- Ice Rescue Lecture; 8 personnel @ 2.5 hours
- MABAS, 5 @ 1.0 hours
- Individual Training Time (ITT): 4 @ 11.5 hours
- Medical CEu's: 2 @ 4.0 hours

Significant Events and/or Alarms

- Just like 2017 started, calls for service were very high to finish the year. In the month of December, SFD responded to 54 alarms. This is an overall increase of 24 from the average in the month of December. Despite the rise in activity, SFD personnel successfully mitigated all of these alarms without any "turfed" calls. In addition, SFD provided mutual aid four times in December which is nearly double the count of the previous 11 months combined. Kudos to all of the SFD members for sharing this burden and serving the community with dedication and integrity.
- The four mutual aid alarms included two structure fire alarms and a motor vehicle crash alarm with aid given to Sand Lake FD and a medical alarm transferred to Solon FD from Kent City FD.
- Significant time researching equipment and costs to install donated breathing air compressor.
- Building generator ran for approximately 8 hours due to power failure without any complications.

- On December 3, SFD responded 15233 Algoma Avenue on a Structure Fire with auto-aid provided by Algoma, Kent City, and Cedar Springs FD. The owner/occupant had been attempting to burn damp cardboard waste near his barn earlier in the day and left it after it would only smolder. A few hours later he found the fire had spread to his barn. SFD personnel gained a quick knock down on the exterior fire and then moved inside the finished barn to extinguish fire spread. After about 30 minutes of prying and cutting the plywood finished interior walls and ceilings the fire was extinguished. Mutual aid crews were assigned to remove the metal cladding on the rear exterior to extinguish hot spots that spread to the structural members. Damage estimates were set at \$ 10,000.00.
- On 3 different dates in December SFD responded to simultaneous alarms.
- As posted previously, SFD was awarded the purchase of an Automatic Chest Compression Device (ACCD) through the generosity of the Firehouse Subs Community Foundation. Recently this equipment arrived at SFD, personnel completed manufacturer recommended training, and have added this equipment to our cache of tools to provide a quality service to our customers.

- Personnel in picture: (L to R) FF Rich Hays, FF Jordan Nielsen, FF Matt Schievink, FF Scott Johnson, Captain Doug Gabrielse, FF Jack Schmidt, FF Taylor Hunt, Deputy Chief Chris Paige.

- SFD Deputy Chief Chris Paige tried to take 50 hours of vacation the week of December 26-December 29. However, due to the high volume of alarms and the lack of fuel to heat the building, he did not vacation very successfully. Station coverage during this period was provided by the following personnel
 - FF Grady, December 26, 10 hours
 - FF Hunt, December 29, 10 hours
- FF's Elliott and Schmidt R., have successfully passed the ½ way mark in the state fire academy and are performing well. FF Cembrero has passed the MFR medical academy and is attempting to schedule the National Registry Exam so he can gain his certificate.
