**OPERATING MILLAGE PROPOSAL**

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Kent City Community Schools, Kent, Ottawa, Muskegon and Newaygo Counties, Michigan, be renewed by 17.9766 mills (\$17.9766 on each \$1,000 of taxable valuation) for a period of 4 years, 2019 to 2022, inclusive, and also be increased by .0234 mill (\$.0234 on each \$1,000 of taxable valuation) for a period of 4 years, 2019 to 2022, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2019 is approximately \$3,420,000 (this is a renewal of millage that will expire with the 2018 levy and a restoration of millage lost as a result of the reduction required by the Michigan Constitution of 1963)?
