Director's Report

March 2025

- Board Tasks
 - 2024-25 Projects: Please see the attached project reports.
 - Our new website is launching the week of March 24, 2025! Please visit www.cedarspringslibrary.org and see the new and improved, easy to use, site.
- Action & Information
 - The Director and Board Chair met with the City Manager, Clerk, and Finance Director. The Chair will provide an update.
 - The Library's massive weeding project is moving slow, but is ongoing. We have a few sections in the library left, but upon closer inspection of the collection a second wave of weeding will be needed during the RFID tagging process. Again, this will ensure the right items in the collection are being tagged as well as ensuring there are items in the collection that will get the most use from the public.
 - The Director's Statement on the defunding of the Michigan Electronic Library – For twenty years Michigan residents have enjoyed use of the Michigan Electronic Library (MeL). Due to a recent Presidential Executive Order, this critical library service and adjacent programs are about to be eliminated. The director would like to share some information and stats about the MeL program and how eliminating it will impact CSPL.
 - In 2024, Michigan Libraries lent over one million books and other materials that are not locally available through a service called MeLCat, funded primarily by these federal dollars. This service provides residents access to even more books that go beyond the scope of CSPL's and Lakeland Library Cooperative's

collection. CSPL fulfilled over 500 MeLCat requests, both sending and receiving items.

- Through MeL, students and other residents last year accessed over 19 million electronic articles, journals and other online resources to do homework, research, prepare for tests, and so much more. CSPL cannot afford to purchase the licenses and access to these databases and online resources ourselves and rely on MeL to provide them for us. We will lose an entire service we currently provide our community.
- Residents benefited from MeL's authoritative sources on education, medicine, business, and history, among other topics to make informed decisions. Again, CSPL cannot afford these databases and resources on our own.
- For every federal dollar spent, \$27.00 was returned to Michigan communities through these services.
- Staff have benefitted from travel stipends to attend professional development opportunities to stay current with trends that affect the profession. The Director used the travel stipend to attend ALA in San Diego, and it covered almost the entire trip saving the library money.
- IMLS provides funding for cohorts on financial sustainability, digital literacy, artificial intelligence, and public library management. Staff have been completing the MeL Maven Badges, an online training course that helped staff get familiar with MeL services and help patrons use them.
- IMLS helped pay for excellent training and educational opportunities for all library workers through participation in Niche Academy offerings. This includes basic library training, board training, and classes for leadership.

The Director is urging the board, staff, and members of the community to reach out to their federal representatives and request that funding for these essential library programs and services be maintained for CSPL and libraries across the state.

- Community Engagement
 - The Director attended the March Cedar Springs Women's Club meeting to present on what the Annual Report. The Women's Club gifted the library \$250 that will be used toward the Summer Reading Program. We would like to thank the Women's Club for the generous donation.

MATERIAL SELECTION POLICY

Adopted March 31, 2025

I. Purpose.

The purpose of the Cedar Springs Public Library's Material Selection Policy ("Policy") is to set broad guidelines to assemble, preserve, organize, administer, and promote the use of a wide range of communication media and to inform the public about the principles upon which selections are made. These functions are undertaken to further the objectives of the Cedar Springs Public Library ("Library").

II. Definitions:

The term "Library Materials" means books, magazines, DVDs, CDs, programs, items in the Library of Things, or other synonyms as they may occur in the Policy having the widest possible meaning. This statement of Policy applies to all Library Materials in the collection, including adult, young adult and juvenile. However, this Policy and the term "Library Materials" does not apply to Internet sites available through the Library's computers or Internet collection. The Library has no control over the content of the Internet. Please see the Internet Use Policy for any issues related to computer or Internet Use.

The term "selection" refers to the decision to add, retain or withdraw material in the collection. It does not refer to reader guidance or to how the Library Materials are displayed within the Library.

III. Goals of Materials Selection.

- A. To meet the individuals' needs for information through maintenance of a well-balanced and broad collection of materials for information, reference, and research.
- B. To help individuals attain maximum self-development through life-long intellectual and cultural growth.
- C. To support the democratic process by providing materials for the education and enlightenment of the community.
- D. To assist individuals in their pursuit of occupational activity and practical affairs.
- E. To provide diverse recreational experience for individuals and groups.
- F. To assist institutions of formal education with services that will assist individual study.
- G. To maintain Michigan and local history collections.

IV. Responsibility for Selection.

The responsibility for selection lies with the professional staff of the Library. That staff operates within the areas of service to children, young adults, and adults. Both the public and staff members

may recommend materials for consideration. The ultimate responsibility for book selection, however, rests with the Library Director who operates within the framework of policies determined by the Library Board of Trustees. The Director shall be responsible for ensuring that the funds budgeted for collection development are allocated appropriately depending upon the needs of the Library and the fulfillment of the above Goals of Material Selection. The Director is also ultimately responsible for decisions regarding what collection or location Library Materials will be located.

V. General Principles.

- A. Selection of Library Materials is based on the relationship of such work to the needs, interests and demands of the community. Basic to this Policy is the Library Bill of Rights and the Intellectual Freedom Statement of the American Library Association to which this Library subscribes.

Selection is not made based on anticipated approval or disapproval by patrons or Library users, but solely on the merits of a work, without regard to the race, nationality, political or religious views, or sexual orientation or gender identity of the writer.

- B. Responsibility for the reading material of children rests with their parents or legal guardians. Selection shall not be inhibited solely by the possibility that books may inadvertently come into the possession of children.

The Library respects each individual parent's right to supervise his/her children's choice of reading materials. However, the Library does not have the right to act in loco parentis (in place of the parent). Therefore, a parent who chooses to restrict the materials his/her children select must accompany those children when they use the collection to impose those restrictions.

- C. Further, Library Materials will not be marked or identified to show approval or disapproval of contents, and no catalogued book or other item will be sequestered, except for the express purpose of protecting it from injury or theft. The use of rare and scholarly items of great value may be controlled to the extent required to preserve them from harm, but no further.
- D. It is the responsibility of the Library to provide circulating, reference and research materials for the public and students based on the services it is expected to perform.

VI. Specific Principles for Selection.

The following principles, individually or collectively, will prevail in the selection of all Library Materials. The total collection will attempt to represent opposing points of view.

- Contemporary significance or permanent value
- Accuracy

- Lack of bias, factual
- Diversity of viewpoint
- Portrays issues sensitively
- Authority of author
- Relation of work to existing collection
- Price, format, and ease of use
- Scarcity of information in subject area
- Available shelf or storage space
- Availability of material through inter-library loan
- Popular demand: The Library will make an effort to have materials available which are in high demand by the public; however, selections by popular demand will still be guided by consideration of merit, use and the specific principles for selection.
- Duplication of materials already in the collection; i.e., purchase of additional copies of materials, shall be governed by intrinsic or historical value, or immediate need.
- Collection objectives
- Community relevance
- Audience for material

VII. Gifts.

Acceptance of gifts of Library Materials shall be governed by the same principles and criteria applied to the selection of items for purchase. The review, approval and acceptance of gifts will be processed pursuant to the Library's Gift and Donation Policy.

VIII. Maintenance of the Collection.

The collection shall be periodically examined for the purpose of eliminating obsolete, damaged, duplicate, or unneeded materials, and for binding or repair of materials, in order to maintain a balanced, attractive and useful Library Materials collection.

IX. Challenges to Materials.

No material shall be removed from the Library's collection until all steps in the following process have been completed.

- A. Patrons (“Requester”) who object to Library Materials will be sent to the Director.
- B. The Director will discuss the Library Materials in question with the Requester, attempting to resolve the concern to both the Requester’s and Library’s satisfaction.
- C. If the Requester wishes to carry the request further, the Director will provide the Requester with a copy of the Materials Selection Policy, including the Request for Reconsideration of Library Materials (“Request for Reconsideration”).
- D. Once a completed, signed copy of the Request for Reconsideration is received, the Library Director shall decide the Request for Reconsideration, taking into consideration the Library’s Materials Selection Policy and any other relevant information to reach a decision. The Director may consult with any other staff or consultants when making this decision.
- E. The Library Director shall send the decision in writing to the complainant within seventy-five (75) days of the receipt of the completed Request for Reconsideration form. If the decision is that the questioned material should be removed from the collection, the Requester will be notified in writing by the Library Director and all copies of the item will be withdrawn. If the decision is that the questioned material is to be retained, the Requester will be notified in writing by the Library Director that the material will be retained.
- F. A written appeal of the Library Director’s decision may be made by the Requester to the Chair of the Library Board within ten (10) business days after the written decision is made by the Library Director. The Library Board will review any documentation it deems necessary to decide within sixty (60) days of receipt of the appeal.
- G. The Library Board serves as the final authority in cases involving retention or withdrawal of Library Materials.

X. Revision of this Policy.

This policy supersedes all policies regarding Material Selection prior to the date of adoption (Policies 1.1 and 1.3-1.7). This Policy shall be reviewed and revised to be consistent with the objectives of the Library.

LIBRARY VIOLATIONS AND APPEAL POLICY

Adopted March 31, 2025

I. Purpose.

The purpose of this policy is to provide a process for addressing violations of the Cedar Springs Public Library policies. This Library Violations and Appeal Policy ("Policy") will set forth the process and procedure for violations of certain Library policies in which there is a violation and appeal provision, including but not limited to the Patron Behavior, Meeting Room, Internet Use, and Children and Vulnerable Adults in the Library Policies. This policy supersedes all policies regarding Library Violations prior to the date of adoption.

II. Library Director/Designee's Right to Suspend Privileges.

Upon determining that a Library policy has been violated, the Library Director or the Director's designee may restrict access to Library facilities with immediate dismissal of the patron from the premises, by suspending the patron's access to Library facilities for a set period of time, or by denying access to specific services and/or programs pursuant to this Policy. If necessary, the local police or appropriate services may be called to intervene.

III. Incident reports.

Library Staff shall record in writing in the form of an Incident Report any violation of Library policy that resulted in a verbal warning or a suspension of Library privileges. By the end of the day on which the incident occurred, an Incident Report shall be written and forwarded to the Library Director for logging and review. The Incident Report should include physical descriptions in addition to the name of the patron. A copy of the limitation or suspension of privileges letter should be attached, if applicable.

IV. Violation of the Policy – Suspension of Privileges.

- A. General Violations. Unless otherwise provided in Section IV.B of this Library Violations Enforcement Policy, the Library shall handle violations as follows:
 - 1. Initial Violation: Library patrons observed violating a Library policy will be asked to cease the violation with a verbal request. If the patron does not comply with the request, he or she will be asked to leave the building for the day. If he or she refuses, police or appropriate services may be called.
 - 2. Subsequent Violations: The Director or the Director's authorized designee may further limit or suspend the patron's Library privileges if violations of the same rule continue. Such limitation or suspension shall be in writing specifying the nature of the violation. Subsequent violations of the same rule shall result in additional suspensions of increasing length.

B. **Violations that Affect Safety and Security.** Violations of Library policy that affect safety and security, including but not limited to violations involving verbal abuse, violence, threatening behaviors, child pornography or obscenity, sexual harassment, vandalism, drug sale or use or attempted drug sale or use, intoxication, theft or attempted theft, physical harassment, sexual misconduct or any behavior that threatens the safety and security of staff and/or patrons shall be handled as follows:

1. **Initial Violation:** The police will be called immediately if the conduct constitutes a violation or suspected violation of local, state, or federal law. Arrest or criminal prosecution may ensue. Violations of this nature will result in an immediate minimum two-week suspension of Library privileges in order to give the Library sufficient time to investigate the incident. After the investigation is completed, the Library Director or his/her designee may add additional time to the initial limitation or suspension period.
2. **Subsequent Violations:** The police will be called immediately if the conduct constitutes a violation or suspected violation of local, state, or federal law. Arrest or criminal prosecution may ensue. Subsequent violations of the same rule shall result in additional limitations or suspensions of increasing length. Such limitations or suspensions shall be in writing specifying the nature of the violation.

V. Reinstatement.

The patron whose privileges have been limited or suspended shall attend a meeting with the Director or the Director's designee to review the Library policy that was the subject of the violation before their privileges may be reinstated. The Director may also attach reasonable conditions to any reinstatement.

VI. Right of Appeal.

Patrons may appeal a decision (1) to limit or suspend privileges or (2) to attach conditions to any reinstatement by sending a written appeal to the Cedar Springs Public Library Board within ten (10) business days of the date the privileges were revoked or limited or the conditions were made. The appeal should be sent to the President of the Library Board. The decision of the Library Board is final.

From correspondence with Anne Seurnynck: "See the notes below in my initial review (below). If I recommend a new policy, it is because the policy is outdated legally or lacks important elements (or both). Some of the problems are with the organization also. For example, the ADA provisions are subparts of the Public Relations Policy. The [List of Potential Library Policies] shows the policies you have in (green), the recommended policies (yellow) and the policy that is okay to keep as is (blue). Let me know if you want to discuss."

Section 1:

- 1.1 and 1.3-1.7: These should all be under the Material Selection Policy

- 2.4: Need new Confidentiality policy – Library Privacy Act was amended.
- 2.5-2.8: You have a new FOIA policy so that is up to date. We need to weed through 2.9 because it looks like the old policy is there and I don't like using form denial letters.

Section 3.

- 3.1-3.2: Should be part of new Bulletin Board and Display Policy
- 3.3 (not subparts): Should be a new Media/PR policy
- 3.3.1-3.3.2: Not sure why these are under PR, but new ADA policy
- 3.4: Need new programming policy.

Section 4:

- 4.1, 4.2, 4.7.2 -4.7.4: These are all covered by the Patron Behavior Policy
- 4.3: Need updated Unattended Children and Vulnerable Adults Policy
- 4.4, 4.6, 4.7, 4.7.1: Need a General Operation Policy

- 4.8: Need new Volunteer Policy
- 4.9: Need new Pest/Bedbug policy
- 4.10: Need new Surveillance Camera Policy

Section 5:

- 5.1: Investment Policy is not up to date
- 5.2: Need new Purchasing Policy
- 5.3: Should be in bylaws
- 5.4-5.7: Should be in a General Finance Policy
- 5.8: Need New Fraud Prevention
- 5.9: The fees should be included in the appropriate policy, such as circulation or general operations.
